Note from PEAK 2.0 Coordinator

You have worked tirelessly this year implementing person-centered care practices in your homes. We are proud of the work you have done and look forward to what the new year brings. Today, we announce open enrollment for PEAK 2.0 2014-15. Enrollment secures your home's participation in the program from July 2014-June 2015. If you wish to continue your PEAK 2.0 journey, please visit our website and sign up for next year. Incentive payment levels are determined following the evaluations in February and March. All homes must enroll to declare your home's intent to continue participation in the program. Our offices here on campus will be closed from December 25-January 1st. We will return January 2nd. We wish all a happy holiday season.
