TEACHING EXPERIENCE

- 1/2016 – present **Assistant Professor, Honors Thesis Advisor**, Kansas State University
 Gerontology Department
Seminar in Gerontology (Spring & Fall 2016-17)
 This course is a capstone seminar course for Gerontology students to be taken in their final semester(s). It includes experience of mentorship with an older adult across the semester. Has an enrollment of ~30 students. Taught both in person and online versions.
Sexuality and Aging (Summer 2016)
 This course is an online seminar course for undergrad and graduate Gerontology students. Has an enrollment of ~20 students.
- 1/2012 – 5/2015 **Adjunct Faculty, Honors Thesis Advisor**, University of San Diego
 Department of Psychological Sciences
Research Methods (Spring 2012, 2013; Fall 2014)
 This course is designed for psychology and neuroscience majors, has an approximate enrollment of 25 students, and includes a weekly lab component.
Cross-Cultural Psychology (Fall 2012, 2013)
 This course has an optional service-learning component where students volunteer to engage 15 hours of service with culturally diverse communities and integrate these experiences with course content (approximately 25 students).
Health Psychology (Spring 2013; 2014; 2015)
 This course is a seminar that includes a community outreach component where students work with underrepresented middle school students to conduct a health fair (approximately 25 students).
Theories of Personality (Fall 2012)
 This course is an upper division course for psychology and neuroscience majors (approximately 25 students).
Advanced Research Methods – Clinical; Cross Cultural (Fall 2013, 2014)
 This course is an upper division research methods course for psychology majors where students are taught advanced methods and mentored to complete an independent research study related to the topic of interest (approximately 10 students per section).
Abnormal Psychology (Spring 2014)
 This course is an upper division course for psychology and neuroscience majors (approximately 25 students).
