This degree program is registered with the Certified Financial Planner™ Board of Standards. Graduates of the program will be eligible to take the CFP™ Certification Examination.

“Kansas State University does not certify individuals to use the CFP™ and Certified Financial Planner™, and CFP™ (with flame logo) certification marks. CFP™ certification is solely granted by the Certified Financial Planner Board of Standards to individuals who, in addition to completing an education requirement such as this CFP board-registered program, have met ethics, experience, and examination requirements.”
