KATHARINE K. GRUNEWALD, Ph.D, R.D./L.D.

Department of Human Nutrition, Justin Hall 143C

Kansas State University

Manhattan, KS 66506-1407

Office: (785) 532-0171

Home: (785) 539-7070

FAX: (785) 532-3132

EM: grunew@ksu.edu

EDUCATIONAL BACKGROUND:

B.S., University of Wisconsin, Nutritional Sciences, 1974.

M.S., University of Kentucky, Nutrition and Food Science, 1976.

Ph.D., University of Kentucky, Nutritional Sciences (minors: biochemistry, toxicology), 1979.

EXPERIENCE:

Professor of Human Nutrition, Kansas State University, 1992-present.

Associate Professor of Foods and Nutrition, Kansas State University, 1985 to 1992.

Assistant Professor of Foods and Nutrition, Kansas State University, 1979 to 1985.

Graduate Research Assistant, Dept. Animal Sciences, University of Kentucky, 1977-1979.

Graduate Teaching Assistant, Dept. Nutrition and Food Science, University of Kentucky, 1974-1976.

PROFESSIONAL SOCIETIES AND CERTIFICATIONS:

American Dietetic Association (Registered Dietitian since 1975)

ADA Practice Groups: Weight Management; Sports and Cardiovascular Nutrition (SCAN).

ADA Certificate of Training Programs completed for:

Adult Weight Management (3/03)

Childhood and Adolescent Weight Management (5/04)

Kansas Dietitian License (L.D.)

Missouri Dietitian License (L.D.)

AWARDS/HONORS:

Dawley-Scholer Award for Faculty Excellence in Student Development, 1995

Nominations for outstanding advising and teaching awards at Kansas State University

Honorable mention, Outstanding Alumnus, University of Wisconsin-Green Bay, 1997

Dissertation year fellowship, University of Kentucky, 1978-79.

GRANTS AND CONTRACTS:

“Nutrition webs on oznet” CES Project (8/00-5/01)
“Nutritional determinants of muscular hypertrophy”. KAES Project H406. (1994-99)
“Nutritional implications of exercise”. KAES Project H714. (1988-91)
“Dietary modifications and exercise”. KAES project R512. (1984-99)
“Effect of exercise on feed intake and body composition in mice”. KAES Project R497. (1982-83) “Influence of dietary fat on gastrointestinal bacteria and endotoxins in the rat”. KAES Project R155. (1979-81)
“Metabolism of saturated and unsaturated fats in germfree and conventional rats”. Faculty Research Grant. KSU Graduate School. \$2500. (1979)

REVIEWER FOR:

Journal of Food Science
Journal of The American Dietetic Association
American Journal of Clinical Nutrition
Nutrition Research
Journal of Cereal Chemistry
American Journal of Human Biology
Journal of the American College of Nutrition
Kansas Agricultural Experiment Station
USDA National Research Initiative Competitive Grants Program (NRICGP)

UNDERGRADUATE / GRADUATE STUDENTS: (1979-present)

Undergraduate Students: Kathy Grunewald is the primary undergraduate advisor in the Department of Human Nutrition, advising approximately 200 majors.

In 1985 she initiated and developed the dual-degree program in **Nutrition and Exercise Sciences** with faculty in the Kinesiology Department. This program has 100+ students. She also advises students in the **Public Health Nutrition** curriculum..

Graduate Students: She has served as major professor for **28 graduate students** since 1979 (23 M.S., 5 PhD) and has served on the committees of an additional 38 graduate students (29 M.S., 9 PhD)

CURRENT TEACHING RESPONSIBILITIES

HN 352 Personal Wellness (3 cr)
HN 450 Nutritional Assessment (2 cr)
HN 650 Practicum/Internship in Nutrition (3 cr).

SERVICE and COMMITTEE RESPONSIBILITIES:

Department:

Promotion and Tenure - Dept representative to the college (2007-present)
Search Committees for numerous nutrition faculty positions.
Search Committee for HN Dept. Head, committee member (1996- 97, 1998-99)

Graduate Program Review, Chair (1997-98)
Department Committee on Planning (2002-2003), acting chair
Faculty Load/Equity Issues, committee member (1996-97)
Graduate Admissions, committee member (1989-1997)
Undergraduate Scholarship Committee, Chair (1989-present)
Faculty Evaluation Form Revision, Chair (1990-91; 2002)
Undergraduate Curriculum Revision, Chair (1993-94)
Graduate Student Handbook (41 pp), wrote half/revised half (1990)
Update and maintain diet analysis software in public computer labs (1986-present)
Foods and Nutrition Undergraduate Club, Faculty Advisor (1991-93)

College:

Faculty Council/CCOP (College Planning Advisory Group), Chair (1990-1991,1996-97),
Vice-Chair (1995-96), Secretary (1989-1990), member (1987-1989,1991-1993,
2002)
Academic Affairs, Committee member (1992-1995; 1997-1999; 2007-pres)
Student Affairs, Committee member (1985-1987, 2004-2006)
Faculty Affairs (2002-2004)

Computer Technology Committee (2000-2004)
Distance Learning Task Force, Dept representative (2000-2001)

University:

Faculty Senate - Committee on University Planning (2007)
Faculty Senate - Executive Committee (1998-2000)
Faculty Senate - Academic Affairs, (1997-1998; 2003-2004)
Faculty Senate subcommittee: Distance Learning (1998)
Faculty Senate subcommittee: Undergraduate Honor Code (1998)
Faculty Senate Panel on Integrity in Research and Scholarly Activity (1996-1998)
Chester Peters University Recreation Complex, faculty representative (1996-2004)
Lafene Student Health Center Advisory Committee (1993-1995)
Web Author's Resource Group (WARG) (1999-2004)

Outstanding Undergraduate Advising Award Committee (2002)
University Developing Scholar Program (mentor) (2001-2002)
Pre-Health Professions Review (Premed, pre-dent, pre-opt) (2000-2001)
University Task Force on Advising, Chaired subcommittee on dual-degrees (1999-2000)
Search committee for Distinguished Professor of Community Health, member (1994)
Gerontology Interdisciplinary Major (1993-1997)
Gamma Sigma Delta, UG scholarship committee (member 1989; Chair 1991)
Faculty Advisor for KSU Bodybuilding interest group (1989-90).
Faculty Advisor for KSU Powerlifting team (1997-2000)
Faculty Advisor for Taekwondo interest group (2004-2005)
Faculty Advisor for "Fruit of the Fight" club (2008-pres)

University Animal Care Panel (1981-86, 1988-92)
Food Science Graduate Faculty (1982-92)

PUBLIC AND PROFESSIONAL SERVICE:

Kansas Dietitian Advisory Task Force (education representative)(1994-1997)

“Jump Rope for Heart” (American Heart Association fundraiser), faculty co-chair (2001-2005).

Has given **over 100** invited regional or local presentations, television appearances, radio interviews, and newspaper articles primarily in the areas of weight control, nutrition and exercise, and fitness/health.
