

Jane Mertz Garcia

*Communication Sciences & Disorders
School of Family Studies & Human Services
Kansas State University Speech & Hearing Center
139 Campus Creek Complex
Manhattan, KS 66506-7500*

*(785) 532-1493
jgarcia@ksu.edu
Office location: 228 CCC*

EDUCATION

Ph.D.	1996	University of South Alabama	Communication Sciences & Disorders
M.S.	1981	University of Nebraska-Lincoln	Speech Pathology
B.S.	1978	Kansas State University	Speech Pathology & Audiology

PROFESSIONAL EXPERIENCES

Program in Communication Sciences & Disorders, School of Family Studies & Human Services Kansas State University, Manhattan, KS

Professor, 2010 to present
Associate Professor, 2002-2010
Acting Co-Director of Clinical Services, 2007
Assistant Professor, 1997-2002

University of South Alabama, Mobile, Alabama

Graduate Research Assistant in Communication Sciences & Disorders, 1993-1996
Clinical Supervisor in Speech-Language Pathology, 1989-1993

Madonna Rehabilitation Hospital, Lincoln, Nebraska

Director of Communication Disorders, 1987-1988
Assistant Director, Communication Disorders, 1986-1987
Staff Speech-Language Pathologist, 1981-1986

CERTIFICATION & LICENSURE

License Number 01569 in Speech-Language Pathology, State of Kansas, 1997 to present
Certificate of Clinical Competence in Speech Pathology, American Speech Language, and Hearing Association, 1982 to present

PROFESSIONAL MEMBERSHIPS

America Speech-Language-Hearing Association including Special Interest Division 13 (Swallowing & Swallowing Disorders)
Kansas Speech-Language-Hearing Association

SELECT AWARDS AND HONORS

Recognized as the "Faculty Member of the Week" at the Kansas State/Colorado football game, October, 2007
The College of Human Ecology Faculty Research Excellence Award, Kansas State University, 2006
1st ASHA Award for Continuing Education (ACE), American Speech-Language-Hearing Association for Continuing Education, 2004-2007
Big 12 Faculty Fellowship, Kansas State University, 1999
Kansas State University Mortar Board Senior Honor Society recognition as an Outstanding KSU Instructor & Advisor, 1997
New Faculty Fellow, Institute for Social and Behavior Research (ISBR), Kansas State University, 1996-1997

ADDITIONAL SCHOLARSHIP

- Sellers, D., Garcia, J. M., & Dittman, E. J. (2008, February). Appreciating Aphasia. Age Buzz (electronic newsletter for Agents with FCS responsibilities), K-State Research & Extension.
- Sellers, D., Garcia, J. M., & Dittman, E. J. (2007, November). Detangling Dysarthria. Age Buzz (electronic newsletter for Agents with FCS responsibilities), K-State Research & Extension.
- Biggs, L. R., Cooper, L. C., Garcia, J. M., & Chambers, E. IV (2002). Viscosity comparison of thickened juices at two and ten minute intervals. *Undergraduate Research Journal for the Human Sciences, 1*, [On-line] Available: www.kon.org/urc/biggs_cooper.html.
- Stroke Prevention Project (2000). Participant in 12-minute video produced by the Rural Stroke Prevention Project, a state-funded project with Kansas Department of Health and Environment Bureau of Health Promotion and K-State Research and Extension-Office of Community Health.

DIDACTIC COURSE INSTRUCTION

Kansas State University

- FSHS 725 Augmentative & Alternative Communication (2): Provides a broad overview of severe communication disabilities, selected AAC strategies to establish or improve communication, and knowledge areas to support augmentative communication.
- FSHS 745 Neuromotor Speech Disorders (3): An introduction to motor speech disorders including a review of the neurological system and how it pertains to different communication disorders.
- FSHS 841 Acquired Language & Cognitive Disorders (4): Assessment and treatment of acquired language and cognitive-communicative disorders including aphasia, right hemisphere damage, traumatic brain injury, and dementia.
- FSHS 844 Dysphagia (3): Anatomy and physiology of normal swallowing and the evaluation & treatment of children and adults with swallowing disorders.
- FSHS 851 Professional Issues in Speech-Language Pathology (2): Credentials and professional practices in school and medical-based settings including ethics and service delivery.
- FSHS 897 Seminar in Neuropathologies of Communication: Special topics related to adult acquired communication disorders including a specific focus on dementia.

University of South Alabama

- SPA 414 Neurobiological Bases of Human Communication: Introduction to neurosciences and application to processes of normal and disordered communication.

CLINICAL INSTRUCTION

Kansas State University, Manhattan, Kansas

Clinical supervision of 3-6 CSD graduate students at the KSU Speech & Hearing Center each semester; off-campus observations of graduate externs on occasion; provision of direct patient services when appropriate.

University of South Alabama, Mobile, Alabama

Clinical Supervision of graduate students in Speech-Language Pathology in an on-campus facility and at a university medical center; provision of direct patient services when appropriate.

Madonna Centers Rehabilitation Hospital, Lincoln, Nebraska

Coordinating training and supervision of graduate student interns from the University of Nebraska-Lincoln; provision of direct patient services.

SECURED FUNDING—HIGH-TECHNOLOGY AAC COMMUNICATION SYSTEMS

- 2008. Medicaid funding for DynaVox V max speech generating device & mount—\$9,816
- 2006. Medicare funding for DynaVox MT4 communication system—\$6,879
- 2001. Medicaid funding for DynaVox 3100 speech generating device & mount—\$8,365

MENTORED SCHOLARLY ACTIVITIES OF STUDENTS AT KANSAS STATE UNIVERSITY

McNair Scholars Program

- Mary Ohmes (2009). "Thickened Formula as a Diet Modification for Infants with Impaired Swallowing"

Senior Honor's Projects

- Julie Budke (2007). "Line Spread Test Comparisons of Nectar and Honey-like Beverages."
- Jennifer Hoss (2004). "Attitudes on Acceptance & Compliance of Thickened Liquids for Patients with Dysphagia: Preliminary Results"
- Michelle Molander (2004). "Current Practices with Thick Liquids: SLP Perceptions of Patient Attitudes/Compliance."
- Holly Peterson (2003). "Self-Study Modules for the Brain: Directional Terms & the Ventricular System"
- Lindsey Biggs & Lesley Cooper (2002). "Viscosity Comparisons of Thickened Juices at 2 & 10 Minute Intervals"
- Anne Millard (2001). "Nectar Thickened Orange Juice and Water: Comparison of Thickening Agents on Viscosity"
- Monica Schaeffer (2000). "Nonverbal Communication in Speech-Language Pathology: The Clinical Setting"
- Lori Ballou (1997). "Comparison of Pureed and Molded Fruits for Two Adults with Swallowing Impairments"

Award Recipients from Mentored Projects

- Julie Budke (2007). "Thickened Beverages & the Line Spread Test." Recipient of Margaret Byrne Sarricks Student Scholarship Award for \$500.00 and poster presented at Kansas Speech-Language-Hearing Association State Convention, Topeka, KS.
- Anne Millard (2001). "Nectar Thickened Beverages: Comparison of Thickening Agents on Viscosity." Recipient of Margaret Byrne Sarricks Student Scholarship Award for \$350.00 and poster presented at Kansas Speech-Language-Hearing Association State Convention, Topeka, KS.
- Dorothy Syzdek Cobb (2000). "Factors that Contribute to Eating Behaviors in Persons with Alzheimer's Disease." Awarded 1st place in the Mid-America Congress on Aging graduate student paper competition. Presented at conference and awarded \$300 scholarship.
- Lori Ballou (1998). "Pureed vs. molded fruits: Does appearance count?" Recipient of Margaret Byrne Sarricks Student Scholarship Award for \$350.00 and poster presented at Kansas Speech-Language-Hearing Association State Convention, Overland Park, KS.

Master's Thesis

- Lori Ballou Stahlman (1999). "Perceptual Ratings for Pureed and Molded Peaches for Individuals With and Without Impaired Swallowing"

PEER-REVIEWED PRESENTATIONS

Garcia, J. M., Chambers IV, E., & Zuk, A. (2010, November). Practices and Beliefs of Dietitians regarding Thickened Liquids. Poster presented at the annual convention of the American-Speech-Language-Hearing Association, Philadelphia, PA.
