

Application for College of Human Ecology (CHE) SRO Funds

Submit electronically your completed application by the deadline date to
the designated KSOL/Canvas website.

Name of Applicant(s)		Department(s)
Phone	Rank	Years at KSU
Short Title of Proposed Project		
Budget Itemization (justify each item in detail in the proposal narrative.) 1.) Personnel Time (e.g., undergraduate and/or graduate student assistance, technical expertise, buy-out time for faculty, and summer salary for nine-month faculty)		\$ _
2.) Supplies, Materials, Services		\$ _
3.) Travel (Research Only) Include a copy of the itinerary.		\$ _
4.) Other (Specify)		\$ _
<i>(Maximum Request = \$5,000)</i>		\$ _ Total project costs (1-4)

List title, source, and amount of all funding support received during the last three years (include CHE SPR funds). Use an additional page if necessary. Please attach a brief (one paragraph) report on the status/outcome of any CHE SRO funds awarded during the past three years.

If you received startup funds in the last three years, list amount here:

List title and source for all pending proposals for funding. Use an additional page if necessary.

Abstract or brief description of proposed project (250 word maximum)

Attach a more complete description of the proposed project, including significance of the study, potential outcomes, potential sources of future funding, and budget justification outlining demonstrated need of each budget item. Because of CHE's multidisciplinary nature, address an audience outside your immediate field. The proposal should be two pages maximum, single-spaced, excluding citations. Also include a 1-2 page vita.
