

College of Human Ecology Outstanding Senior Student
Engagement Award

The Outstanding Student Engagement Award is given to a graduating senior who has made exemplary contributions that impact the well-being of the community or individuals in the community.

Students (self-nomination), faculty, and staff are encouraged to nominate outstanding graduating seniors for this award. **If no candidate is deemed worthy, a program does not have to select a student for this award.**

Selection criteria:

1. Quality, significance, and impact of engagement
2. Activities may be at the local, regional, national or international level
3. Good academic standing (not on academic warning, minimum gpa of 2.5)

Nomination Process:

1. A letter from the nominator describing the impact of the individual's contributions on the community/setting/population served.
2. A brief description of 250 to 500 words from the student providing detailed description of the engagement activity while a student at Kansas State University. *(This information will be used in College of Human Ecology print materials and website)*
3. Award form
4. Current resume from the student

The student nominees will meet with the College of Human Ecology Communications Director to complete the:

1. A "Biographical Information Sheet"
2. Media release form

THE RECIPIENT MUST BE FROM ONE OF THE FOLLOWING HUMAN ECOLOGY MAJORS
