			15	___	___	Supporting course (300 level or higher)	3
				___	___	Unrestricted elective	<u>2-3</u>
				13-14			

Select some elective courses in general requirements, supporting courses, or unrestricted elective to meet the K-State 8. Consult adviser about K-State 8 requirements.

The sum of the life science elective and the physical science elective must total a minimum of seven credits, with no fewer than three credits in either area.

*Fall Only **Spring Only

Spring of odd years only

➤ Grades of "C" or higher are required in professional and supporting courses.

Fall 2015
